JAFARIA EDUCATION CENTER

OUR VISION

TO PROVIDE ISLAMIC EDUCATION FOR OUR CHILDREN TO BECOME FOLLOWERS OF AHLULBAYT AND MAKE A POSITIVE IMPACT ON OUR DYNAMIC SOCIETY.

Jafaria Education Center (JEC), under Jafaria Islamic Society (JIS) operates a Sunday school to give Islamic Education to children. All staff/teachers are on a voluntary basis and work hard to give children the best Islamic education possible.

In order to run Sunday school most effectively and efficiently, certain rules and responsibilities described below need to be implemented with the full support and cooperation of parents. In addition, please sign and return the “Consent and Release of Liability” declaration.

REGULATIONS

- **Assembly:** Sunday School begins with an assembly at 10:30am. The assembly is an integral part of the school's schedule. It is a valuable means to disperse information about the school and its activities. The assembly starts the day with a brief Islamic lesson, which puts the children in a spiritual, cheerful and learning mindset. The parents are requested to drop their children on time before the assembly so that they can join, learn and benefit from the assembly.
- **Absences:** Parents must ensure that students attend the school regularly. Any absence should be reported promptly by completing the absence form on the parental dashboard. The completed form must be sent in before the school day begins. Punctuality and good attendance is mandatory.
- **Late arrivals:** Any student who arrives after 10:30am will be marked as late. Parents are required to sign in the logbook with security guard or at the administration office and provide reasons. Students tardiness disrupts the teacher & class instructions, so we request the parents to bring their children to school on time.
- **Early Pickup:** For early pickup, please call administration office prior to pickup and sign your child out. Parents are not allowed to call or make arrangements with their children and pick them up without informing the administration. Early pickup causes them to miss the lecture and valuable information, which may affect their grade.

- **Homework / Assignment:** Check dashboard & your emails regularly for homework, test and quizzes. Assist your children with their homework & school activities. If you did not attend our Back to School Night, please be in touch with administration to schedule your dashboard login & training session.

- **Text Book :** Text books are provided to the students at no cost. If a student needs to replace his/her book, you will be asked to pay for the replacement of the book. The book can also be downloaded from our school website.

- **Dress Code :** All students, staff, teachers, volunteers and parents / visitors must adhere to Islamic dress code; no exception. Girls must wear loose pants, long tops with full sleeves and an appropriate scarf which is not transparent and covers all of their hair. For boys, no shorts or shirts with pictures or lyrics are allowed.

- **Disciplinary Actions :** Students breaking the school rules will be disciplined. Actions causing the disciplinary actions are, but not limited to, being disrespectful or misbehaving with staff/teachers etc.
 - 1st Warning - the student will be given a verbal warning
 - 2nd Warning - email will be sent to parents and / or the matter will be discussed with parents.
 - 3rd & Final warning will be issued & if an issue persists, it may result in suspension/dismissal from school.

- **Tuition Fees & Donation :** Tuition is due at the beginning of the term. The tuition can be paid by either cash or check payable to JIS. Those who cannot afford to pay the fee will be given a concession depending upon their individual circumstances. Your donations and support are always welcomed to offset the cost of the school programs.

- **Lunch** : During a school year, each family is required to sponsor a one-time lunch. If you are not able to arrange food or if all the spaces are taken, you will be asked to pay the equivalent cash donation. It will be used to defray the food cost for the ongoing events and the other extra- curricular activities throughout the school year.
- **Communication** : Good communication is essential to maintain a positive learning environment. We use a variety of communication channels such as dashboard, email, school website, facebook page, newsletter and text messages to ensure that the relevant people receive the necessary information. We also arrange events such as Back to School Night, End of the year program, and other activities / events. It is very important for parents to participate and show their commitment to the students, teachers and volunteers.
- **Supervision** : We make all possible efforts to provide supervision during school hours. We ask that students not be dropped off earlier than 15 minutes prior to school starting time. We allow 15 minutes optional play time after school finishes and students must be picked up immediately thereafter. Parents for classes 1 & 2 are required to drop their children to their respective teacher and sign in / sign out at that time. Parents/Visitors are not allowed in classrooms or inside the building when the classes are in session unless prior arrangements are made.
